And far brighter skies than ever were seen, Birds with the hues of a rainbow were found, While flowers of exquisite fragrance were growing around.

Not long were they left to wonder in doube A being soon came they had heard much about, Twas Santa Claus' self and th listhey all say, le leohed like the pictures esse every day. He drove up a team that looked very queer, Twas a team of grasshoppers instead of reindeer, He rode in a shell instead of a sleigh, But he took them on board and drove them Greatest Discovery of the Age.
